ATTENDEES: Senator Wallop; Gary Schmitt, SSCI Minority Staff Director; Angelo Codevilla, Sen. Wallop's SSCI staff designee; William Harris, SSCI staff contractor.

SYNOPSIS: The purpose of the meeting was to provide Senator Wallop the opportunity to read two classified files which he had requested. It was reiterated to the Senator that only he was allowed access to the files. Mr. Schmitt, who had previously read the files, aided the Senator in locating the exact information requested. Codevilla and Harris, though present, did not attempt to read the files and there was no conversation about the information they contained.

DD/OLL had asked me to give Senator Wallop a copy of our proposed amendment to the Immigration Act on which we would like to brief Senator Simpson and him. I told Senator Wallop that we would like to ask his good offices to let us talk to Senator Simpson about the amendment since we would like to ask for Simpson's assistance in our proposal or to discuss possible alternatives. Senator Wallop took the two copies provided (one for Senator Simpson) and asked what we would like him to do. I said when he had the opportunity to arrange for the meeting he should call
